Dear Camper,

Due to the COVID-19 pandemic there will be many changes to the way campgrounds are run this year. All government rules and regulations must be followed and they will be changing as the season progresses. We must adhere and adapt to the changes that are in place now, as well as ones that will happen as this pandemic progresses. Please see www.saskatchewan.ca for current version of the Re-open Saskatchewan Plan.

There will be no showers available. The following are closed to the public/campers and cannot be utilized: Washrooms, Beach areas, Filleting station, Benches, Play Structures and the Splash Park.

Physical Distancing and limitations as to the number of people in gatherings must be maintained and followed as per the Re-Open Saskatchewan Plan.

Firewood will be available to order. We cannot accept cash and as such it must be paid for by credit card and then delivered to site by park staff.

Campers will be expected to comply by regular camping rules as well as all government orders and regulations including but not limited to physical distancing, limiting group gatherings and staying home if you have any symptoms or aren't feeling well.

Campers may be evicted for failure to comply.
